

Periodic Trends Lab – Post Lab Summary Chart

<p>Claim <i>What did you learn from the lab? What do we now know after doing the lab?</i></p>	
<p>Evidence <i>Site actual evidence from YOUR lab. Be SPECIFIC!</i></p>	
<p>Reasoning <i>Use SCIENTIFIC PRINCIPLES you have learned in class to EXPLAIN why your claim is true.</i></p>	
<p>Extrapolation <i>What can we now PREDICT based on what we learned from the lab? Give an actual example!</i></p>	
<p>Furthering <i>What is something we could do in a future lab to further our understanding of this topic? Could we improve upon the lab or add another aspect to test?</i></p>
