

### 1<sup>ST</sup> SEMESTER SUMMARY PAGE

This is like a unit intro page, but it covers all the units from the semester. Divide your page up like you see on this set of instructions. Label the boxes as shown. Then fill each box with the kinds of things you would put on your Notecard for the final. Think of this like your "Notecard Building Page." **Your boxes should take up the entire page in your notebook.**

|  |   |
|--|---|
| <b>UNIT #C0 – FOUNDATIONS IN CHEMISTRY</b> | <b>UNIT #C3 – PERIODIC TABLE</b>          |
| <b>UNIT #C1 – ATOMIC STRUCTURE</b>         | <b>UNIT #C4 – MOLECULES AND COMPOUNDS</b> |
| <b>UNIT #C2 – NUCLEAR CHEMISTRY</b>        | <b>UNIT #C5 – INTERMOLECULAR FORCES</b>   |
