

**I am willingly turning my 3-ring binder early.**

I understand that I do not have to turn it in today. I understand that my binder grade is final, I cannot change my mind and resubmit it later after turning it in today. In exchange for turning it in early I am choosing the following perk. I understand that I cannot change my mind about which perk I choose.

- An extra homework pass I can use next week no later than Tuesday even though the late work deadline has passed
- An extra quiz retake pass I can use next semester

Class Period: \_\_\_\_\_

Print Name: \_\_\_\_\_

Signature: \_\_\_\_\_

*Please tape this to the front of your 3-ring binder and stack your 3-ring binder nice and neatly on Lab Bench #8.*

*Thank you!*
