Strengths

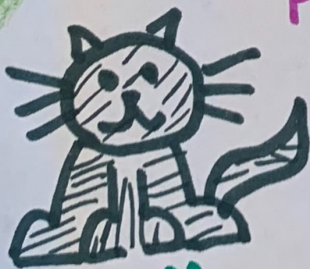

one of my strengths is that I am very organized. I also care alot about my work - very passionate about those friends - very family e. Another strength I am good at is that I am good at problem solving.

Penny

Zoë

Goals

One of my goals is to always want to do something better at less time. I also want to have routines to make things easier. I also want to find new routines to make things easier. I also want to find new routines to make things easier.

Struggles

one of my struggles is I should be doing more things. I also don't like change! I also don't like change! I also don't like change!
