

Using the internet, books, research articles, research the pros and cons of nuclear power. Be specific and make sure that you have details, examples and a balanced amount of pros and cons. Make a table with your facts.

You need to use at least 4 sources AND you need to site them using MLA citations. You must have specific types of sources:

- 1) Your textbook
- 2) Another book or journal article
- 3) Internet site
- 4) Free choice

You may use books/journals you find in my room, the school library, the public library, the bookstore.

Your page should look like this when you are done:

| PROS | CONS |
|--|---|
| <ul style="list-style-type: none">•••• | <ul style="list-style-type: none">•••• |
| Citations | |
| <ol style="list-style-type: none">1) Textbook2) Another book or journal article3) Internet site4) Your choice | |
