

### **Balancing Equations Tutorial Packet**

- This packet will be due the Thursday you come back from break (01/09/2014). I would recommend doing as much as you can over break...
- The packet walks you through how to balance equations. This is something you learned in middle school, so it should just be review and some practice.
- The packet is labeled with starred numbers – go in order!!! They are jumbled around. Start with \*1 and end with \*14
- Here is the list of what you should do. Use the checkboxes to keep track of everything!
  - Complete Tutorial packet
  - Watch the following video clip:
