

# Welcome to AP Chemistry!

Hello! I know it can be hard to add to a class late, but I am glad you are here! It is **imperative** that you get caught up **as soon as possible**. This course moves at a lightning-fast speed, and in order to be successful in the long run in this class you must get caught up and able to focus on *current work* instead of old/absent work.

To help you get caught up I made this document that will outline timelines and expectations for your work.

**PLEASE** come by my room at bunch or lunch, send me an email, or send me a Remind message if you have any questions. You should **NOT** delay getting answers to your questions! Time is too precious.

1) You added to the class on: \_\_\_\_\_ / \_\_\_\_\_ Mon. Tues. Wed. Thurs. Fri.

2) Your Honors Chemistry Review Quiz will be \_\_\_\_\_ **days** after you add.

Your quiz will be on: \_\_\_\_\_ / \_\_\_\_\_ Mon. Tues. Wed. Thurs. Fri.

You are allowed to use a “cheat sheet” on the Review Quiz. It must be SINGLE SIDED, 8.5” x 11”, HANDWRITTEN only. You may have anything on it including worked out problems. You may use highlighters/colors if you would like. You must bring it to class the day of the quiz. If you forget to bring it, your quiz will not be postponed.

3) Your Summer Assignment Packet will be due **the day after** your Review Exam (if that falls on a weekend then the packet will be the Monday immediately following). The summer assignment is linked on the front page of my class website [www.mychemistryclass.net](http://www.mychemistryclass.net)

Summer Assignment is due on: \_\_\_\_\_ / \_\_\_\_\_ Mon. Tues. Wed. Thurs. Fri.

4) You are required to make up **ALL** absent work from before you entered the class. In order to do this please go to the class calendar on my website [www.mychemistryclass.net](http://www.mychemistryclass.net) and start on Day 1. **GO IN ORDER**. There are links for everything on the calendar.

You added to the class \_\_\_\_\_ **days** late. You therefore get \_\_\_\_\_ **days** to complete the assignments that were assigned while you were not in the class yet.

Absent work is due on: \_\_\_\_\_ / \_\_\_\_\_ Mon. Tues. Wed. Thurs. Fri.

**YOU** are responsible for coming to my classroom during brunch, lunch, or during open work time during my class to show me the absent assignments. I will **NOT** come to you to get your work. If an assignment was supposed to be submitted to Google Classroom the assignment title will state that with instructions on how to do it. If an assignment is uploaded to Google Classroom you **MUST** fill out and submit a “gold form” and put it in the absent basket so I know to grade your work.

5) You are required to keep up with **ALL** of the **CURRENT** work being assigned each day. We do not have the luxury to wait and try and catch up on all the current work later. We cover multiple chapters in the first few weeks that are foundational topics for the entire rest of the year. We must remain focused on long term success – and that means you need to keep up with the current work.

6) This class requires a significant amount of motivation, self-advocacy, organization, diligence, and resourcefulness. That includes things such as having the drive and motivation to catch up and get on track as quickly as possible, and the self-advocacy skills to reach out to me if you have questions or are struggling or confused about anything. Do **NOT** delay in asking for help. Due dates are **NOT** extended due to a lack of effort, self-advocacy or resourcefulness on your part. I am always happy to help students, but students need to do their part and reach out!
